

LNM Technologies PVT LTD is sensitive to privacy issues on the Internet and in general has no objection to the User accessing its website without providing any personal information. However, there are circumstances like those listed below, when LNM Technologies PVT Ltd may request you to provide your personal information.

Collection of personal information for propagating business

In some circumstances LNM Technologies PVT Ltd may request for some personal information from you, like your name, e-mail address, company name, or telephone number. You are at liberty to respond or not to respond to these inquiries and any and all information provided is strictly voluntary. LNM Technologies PVT uses this information to get valuable feedback from your experience on our Web site. In addition, LNM Technologies PVT Ltd may also use your personal information for its other business purposes or in order to help serve you better, be it by informing you of new services, products, alliances etc. that could help you in your business. You shall not claim that any information which is voluntary posted by you on this web-site is confidential and/or proprietary. In general, you can visit our site without disclosing any personal information. However, there are areas of this site that require this information to complete certain functions, and may not be available to those choosing not to reveal the information requested. You recognize and understand that there is no compulsion on you to provide us with your personal information and any and all personal information provided by you to us is with your full consent, own volition and desire to provide such personal information. You also understand that we are under no obligation to verify the source from which the personal information about you is provided to us, and they are deemed to be provided by you. Collecting information for on-line surveys

At times, we conduct on-line surveys to better understand the needs and profile of our visitors. When we conduct a survey, we will try to let you know how we will use the information at the time we collect information from you on the Internet. If you are not happy with the reasons of the survey you may refrain from contributing to it. Collecting domain information

LNM Technologies PVT LTD collects domain information and not the email addresses of its visitors as part of its analysis of the use of this site. This data enables us to better know which customers visit our site, how often they visit, and what parts of the site they visit most often. LNM Technologies PVT LTD uses this information to improve its Web-based offerings. This information is collected automatically and requires no action on your part. By accessing our site you grant your unconditional consent to allow LNM Technologies PVT LTD to collect your domain names.
